

ne thing that God said to me about the year 2018 is that it would be a Year of Divine Acceleration. When we look in the Word, we can see some examples of divine acceleration.

In John 6:16-21 we read, "And when even was now come, his disciples went down unto the sea, and entered into a ship, and went over the sea toward Capernaum. And it was now dark, and Jesus was not come to them. And the sea arose by reason of a great wind that blew. So when they had rowed about five and twenty or thirty furlongs, they see Jesus walking on the sea, and drawing nigh unto the ship: and they were afraid. But he saith unto them, It is I; be not afraid. Then they willingly received him into the ship: and IMMEDIATELY the ship was at the land whither they went."

When the disciples started the journey of 9 miles across the Galilee, they got 3 miles across and hit a storm. Jesus came walking to them on the water, got in the boat, and by light speed, they arrived at the other shore 6 miles away in an instant. That is divine acceleration. Their journey was shortened supernaturally. The process of getting to their destination was shortened; they didn't arrive by the same process other travelers used to get to that same destination.

Another instance of divine acceleration is found when Jesus and His disciples attended the wedding in Cana. They had run out of wine, and Jesus told the servants to fill the water pots with water and then serve it. When they did as He said, they realized that the water had turned into wine. With this occurrence, all of the steps of sowing, watering, tending, and harvesting the seed, as well as the process of making wine from the grapes, had been bypassed. Divine acceleration! He knows how to accelerate the process.

What used to take a regular process of time will be accel-

erated in these last days.

We will reap the accelerated harvest by using the words of our mouths as the harvest instruments. Look what Isaiah 41:15 & 16 tells us. "Behold, I will make THEE a new sharp THRESHING INSTRUMENT having teeth: thou shalt thresh the mountains, and beat them small, and shalt make the hills as chaff. Thou shalt fan them, and the wind shall carry them away, and the whirlwind shall scatter them: and thou shalt rejoice in the Lord, and shalt glory in the Holy One of Israel." Our words are the harvest instruments.

Amos 9:13 tells us about divine acceleration. "Behold, the days come, saith the Lord, that the plowman shall overtake the reaper, and the treader of grapes him that soweth seed; and the mountains shall drop sweet wine, and all the hills shall melt"

We will see acceleration in supply — we will reap where we did not sow. We will bypass all of the steps to move into divine supply that come with divine acceleration.

Deuteronomy 6:11 tells us that He will give us, "... houses full of all good things which you did not fill, and cisterns hewn out which you did not hew, and vineyards and olive trees which you did not plant, and when you eat and are full..." (Amplified). Joshua 24:13 says, "I have given you a land for which you did not labor and cities you did not build, and you dwell in them; you eat from vineyards and olive yards you did not plant" (Amplified). God can cause us to bypass steps to move into His full supply for us.

In 2018, release your faith for divine acceleration. We are not limited to this natural realm, for there is another realm available to us — the spirit realm, the faith realm — and it is the realm without limitations.
